About This Content

The Shadow Warrior 2: Bounty Hunt Part 1 DLC piles on the action with fourteen wild new missions, two dazzling new weapons, and four tantalizing new perks for Lo Wang and the gang. Battle alone or with up to four ninjas in crime in some of the most over the top missions yet like Plague of the Bunny Lords, 50 Shades of Shade, and Danger Zone on Mt. Akuma. Strike at the demon hordes with new perks like Revenge and Shared Pain or arm up with the new Medusa Ray and EX-GF01 minigun.

Title: Shadow Warrior 2: Bounty Hunt DLC Part 1

Genre: Action, Adventure

Developer:

Flying Wild Hog

Release Date: 16 Mar, 2017

a09c17d780

English,French,German,Polish,Russian

It's free and it adds padding and level/money grinding to the main game, but don't look for any storyline or unique items here. It's not going to bring you back for more gameplay after you've finished the campaign (a lot of repetition of areas you've already been to) but it adds a little fun while you're still playing the main game.
