[Sf33usa Bin](#)

A screenshot of the website for the "immuni" app. The page has a light blue header with the "immuni" logo on the left and navigation links: "TECNOLOGHome", "Documentazione", "Grafica", "Domande", "Scarica l'app", and "Italiano". The main content area has a dark blue background with the heading "Innovazione al servizio della comunità". Below the heading is an illustration of two smartphones, one purple and one green, with a red exclamation mark in a speech bubble between them, indicating a notification. At the bottom, there is a paragraph of text in Italian.

TECNOLOGHome Documentazione Grafica Domande Scarica l'app Italiano

## Innovazione al servizio della comunità

A chi si è trovato a stretto contatto con un utente risultato positivo al virus del COVID-19, l'app invia una notifica che lo avverte del potenziale rischio di essere stato contagiato. Grazie all'uso della tecnologia Bluetooth Low Energy, questo avviene senza raccogliere dati sull'identità o la posizione dell'utente.
